**A REPORT OF THE TOWN CLERK TO
A MEETING OF THE OPERATIONS AND PLANNING COMMITTEE
MALVERN TOWN COUNCIL

COMMEMORATION FOR NICK HOUGHTON

1. Purpose of Report

1.1. For decision.

2. Recommendation

2.1. Committee are asked to recommend to Full Council that a bronze plaque be placed on the stone plinth adjacent to the MALVERN sign at Rose Bank Gardens as a commemoration to Nick Houghton.

2.2. The wording to be included on the bronze plaque will be confirmed at the meeting and has been agreed with Nick's family.

3. Background

3.1. Nick Houghton died aged 59 on 10 December 2024. His death was sudden, saddening and his loss felt by many.

3.2. At the time of his death, Nick Houghton was a Town Councillor having been elected to the Town Council in 2019. He also served as Mayor of Malvern for two years from May 2021 to May 2023.

3.3. Following a Notice of Motion submitted to Full Council, it was resolved that Cllr Nick Houghton should be remembered in some significant way and the decision on how best for Nick to be remembered and honoured should be sent to Operations and Planning Committee for discussion and then for presentation to Full Council at a later date.

3.4. At the last meeting of this committee, it was agreed that the preferred option would be to erect a sign/plaque by the Malvern sign in Rosebank Gardens and that the Town Clerk, Operations Manager and Chair of Operations and Planning would meet to consider suitable wording for the plaque and a possible design for how the plaque would be mounted. This would then be brought to the next meeting of Committee before a recommendation was submitted to Full Council.

3.5. Officers have met with Cllr Sean Austin to agree the proposed site as shown below and Cllr Austin has communicated that the family are in agreement as well.

- 3.6. The stone plinth will be cleaned up and the plaque will be a durable, high quality brass plaque in keeping with the other plaques in the vicinity of the Malvern Sign.
4. **Financial Implications**
 - 4.1. The plaque will be approximately £500.
5. **Legal Implications**
 - 5.1. None pertaining to this report.

CLEARANCE WORKS IN GREAT MALVERN CEMETERY

1. Purpose of Report

1.1. For noting.

2. Recommendation

2.1. Malvern Town Council will now take back on the maintenance of Plot 4 in Great Malvern Cemetery.

3. Background

3.1. Approximately two years ago Malvern Town Council was approached by Malvern Civic Society as they wished to hold a regular working party to maintain Plot 4 of Great Malvern Cemetery.

3.2. Plot 4 is in the older part of the cemetery towards the Wilton Road end and contains some notable memorials including that of Doctor Wilson of the Water Cure Fame.

3.3. The Civic Society have held monthly working groups to help maintain the plot with regards to vegetation removal and some cleaning of memorials.

3.4. Over the past twelve months the Civic Society have been unable to maintain the numbers that were needed to keep clearing the vegetation away and as a result large amounts of brambles have overridden the plot.

3.5. Following a meeting on 18 March with Katherine Barber and Brian Isles from Malvern Civic Society it was agreed that Malvern Town Council would now recommence the maintenance of Plot 4 to ensure its long-term maintenance, and that the vegetation remains under control.

3.6. Following this agreement the Operations team have cleared all the brambles and when suitable regrowth has occurred a spray will be applied to suppress the regrowth.

3.7. Malvern Town Council will go back to the original regime before the Civic Society took on the maintenance of strimming down the plot in the late autumn to maintain the wildflowers.

4. Financial Implications

4.1. There are no direct financial implications to this report, but there will be more staffing hours required on an annual basis.

5. Legal Implications

5.1. None.

REQUEST FOR BENCH IN VICTORIA PARK

1. Purpose of Report

1.1. For decision.

2. Recommendation

2.1. The committee is recommended to approve the purchase of a new eight-foot anti-vandal Eastgate bench as requested by the dog walkers of Victoria Park.

3. Background

3.1. Officers have been approached by a group of dog walkers who regularly use Victoria Park with a request for a bench to be installed in the main grassed area of the park where most of the dogs are exercised.

3.2. Some of the dog walkers have mobility issues and it has been recognised that there are no benches within the park other than in the orchard area and within the play area. A new bench would provide additional seating for users of the park whilst providing a place to rest for those with mobility issues.

3.3. Officers are mindful that the location of benches away from the busier areas of the park and with limited sight lines could attract anti-social behaviour and so have suggested that a bench be placed to the eastern side of the basketball courts. The bench would be installed on a concrete pad.

3.4. Malvern Town Council occasionally has requests for benches in memory of loved ones, however, these requests are becoming less as the benches become more expensive and are now in the region of £900 for a metal low maintenance bench.

3.5. The bench type purchased by the Town Council is an anti-vandal Eastgate bench which has a cast iron framed seat featuring galvanised mild steel slats. These benches are hard wearing, longer lasting than wooden equivalents and require less ongoing maintenance.

3.6. The proposed bench would be just under eight feet in length and in Council green. The image here shows the style of the Eastgate bench, but the 8-foot version also has a central leg.

3.7. The dog walking group have also expressed a wish to fit a plaque to the bench dedicating it to the memory of the dogs of Victoria Park. This would cost approximately £200.

3.8. Councillors are reminded that benches will be required when the new Skatepark is constructed in the next 18 months.

4. Financial Implications

4.1. The cost of a 2400mm Eastgate anti vandal bench with delivery and materials to fit will be approximately £1,500. This does not include the cost of a plaque.

4.2. There is no budget for this request, and therefore expenditure would need to be taken from reserves.

5. Legal Implications

5.1. None.

Victory Over Japan Flag Raising Ceremony 2025

1. Purpose of Report

1.1. For decision.

2. Recommendation

2.1. Committee is asked to agree to purchase and erect a new flagpole within the vicinity of Victoria Park and to hold an official opening event on 15 August 2025, with refreshments in the Community Room afterwards.

2.2. Committee is asked to agree to a flag raising ceremony to pay tribute to the veterans from World War II, as part of the official opening of the flagpole on 15 August 2025.

3. Background

3.1. Following the Operations Committee meeting of 12 March 2025, Officers were asked to consider marking a V-J Memorial Day.

3.2. Officers are suggesting marking the V-J Memorial Day by erecting a flagpole in Victoria Park, and holding a flagpole raising ceremony, from 10.30am – 11.00am, followed by refreshments in the Park View Community Room.

3.3. Victory in Japan Day, commonly referred to as V-J Day, is the day when Japan formally surrendered to the Allied forces, bringing World War II to an end. The surrender was announced on August 15, 1945, following the atomic bombings of Hiroshima and Nagasaki, and was formally signed on September 2, 1945, aboard the USS Missouri in Tokyo Bay. V-J Day is observed to honour the conclusion of the war in the Pacific and to remember the immense human cost of the conflict.

3.4. The location of the flagpole will be at the front of the Community Hub with the exact positioning to be delegated to Officers.

4. Financial Implications

4.1. The cost of purchasing a flagpole will be in the region of £300 with the installation costing a further £200.

4.2. The refreshments will cost in the region of £100 from a local supplier.

5. Legal Implications

5.1. None pertaining to this report.
