

MALVERN TOWN COUNCIL

Malvern Town Council is your grass roots local council responsible for the care and maintenance of a large number of assets in the town and for running events throughout the year for the community. We plant seasonal bedding, provide hanging baskets and troughs, and can comment on planning applications at district council planning meetings on behalf of the residents of Malvern.

The Council also looks after Great Malvern Cemetery, Rose Bank Gardens, allotment sites, play areas, football pitches, sports pavilions, a pump track, basketball courts, gas lamps, bins, benches and bus shelters, as well as a number of other green and open spaces throughout Malvern.

Annual events organised by the Town Council are for the benefit of the residents. Most raise funds for the Mayor's charity and we hope you will come along to join in the fun. These events include the Mayor's Peaks Challenge, Music in the Park, Armed Forces Day, The Mayor's Bonanza, Remembrance Commemorations, and the Christmas Festival.
